"All of us can be 'those people'. That's the truth. Most are one missed paycheck, one divorce, one drug addicted kid, one mental health diagnosis, one serious illness, one drinking binge, one night of unprotected sex, or one affair from being 'those people' - the ones we don't trust, the ones we pity, the ones we don't let our children play with, the ones bad things happen to, the ones we don't want living next door. We are all one step from being 'those people'.

-Brene Brown
